

## 24/7 RAPID RESPONSE AND MONITORING ALL AT YOUR FINGERTIPS

### DO YOU HAVE A SECOND TO LOSE IN A HIGH RISK OR EMERGENCY SITUATION?

You need a smart, fast and reliable way to trigger immediate armed or emergency response.

#### YOU NEED SECURE 911.

Built to ensure you and your loved ones are protected, in touch and traced 24/7, and backed up by a state of the art Control Room, SECURE 911 brings you closer to the future of smart security.

#### FEEL SAFE WHEREVER YOU ARE...

SECURE 911 is an easy-to-use, interactive smart app designed to tackle security concerns and help those you love in high risk situations. Accident, medical emergency, or home invasion, with our PANIC SOS feature, you will be instantly connected to a 24/7 monitoring and dispatch centre who will make sure help is on the way.

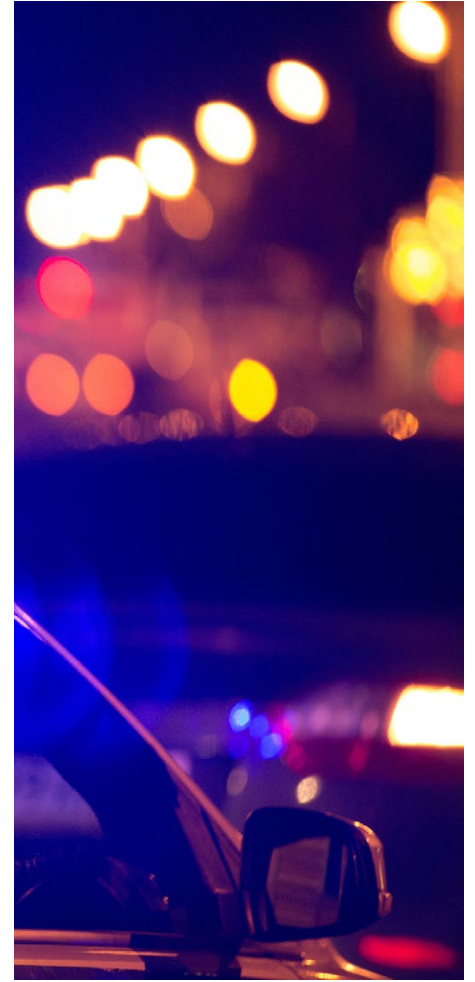

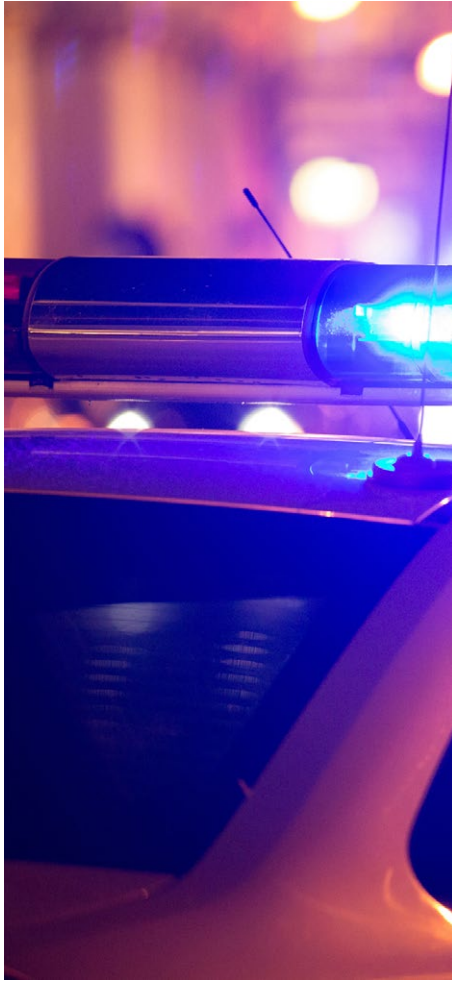

#### AT HOME AND AWAY...

With the same app, you can use the free MONITOR™ feature to locate your loved ones wherever they are. You can also use the OVERWATCH™ and CHATS features to set up online community groups for increased security awareness.

With location based services, chat channels and automated alerts for common security concerns, SECURE 911 will help you protect your family and community, providing you with a real sense of security.

# SECURE 911 FEATURES

## RAPID RESPONSE

LET OUR CONTROL ROOM CONNECT YOU TO THE RIGHT RESPONSE TEAM

Use your mobile phone to connect to our 24/7 monitoring and dispatch centre for the following emergency support services:

### PANIC SOS

With just one touch of your mobile screen, you will be connected to our 24/7 Control Room where, depending on your emergency, the trained operator will respond with the appropriate service.

### EMERGENCY EVACUATION

Complete medical emergency transportation through a national network, supported by rapid response medical personnel and state-of-the-art equipment.

### MEDICAL ASSIST

24 hour medical advice hotline and support centre where trained medical personnel are ready to assist with any medical information. This is an advisory service only.

### ARMED RESPONSE

If you are involved in a roadside breakdown or accident, a response vehicle will be dispatched and remain with you to ensure as much as possible your safety until roadside assistance arrives.

### HOME PROTECT

24 hour crisis management service to support you in the case of a home invasion. Benefits include a pre-loaded cellphone and debit card, car hire, hotel accommodation, guard and locksmith services.

## OVERWATCH™

CONNECT WITH YOUR  
NEIGHBOURS FOR BETTER  
SECURITY

Use the free Overwatch™ feature to set up mobile community groups and community watch chat channels for updates within your circle. Automated alerts include:

- Home robbery
- Fence alarm
- Trespasser
- Suspicious person / activity
- Hijacking

## MONITOR™

REAL-TIME MONITORING  
AND TRACKING

Keep an eye on your loved ones wherever they are - create personal groups and message each other all in real time. Monitor™ means you can track your loved ones 24/7. Keep on track, keep in touch.

## CHATS

STAY IN TOUCH WITH  
YOUR PEOPLE

Whether you want to chat to family members on the road or your neighbours across the way, our one-on-one chats feature allows you to quickly and easily touch base with any of your contacts who use the Secure 911 app.
